## FOOD GRADE MATERIAL STATEMENT

**August 2, 2016**

The conventional and organic products produced and sold by Milne Fruit Products, Inc. including fruit and vegetable juices, concentrates, purees, and essence, as well as dehydrated fruit products and powders including MicroDried® products, are considered “Food Grade” and “GRAS” material. All ingredients and/or processing aids used in the manufacture of these products are “Food Grade” materials. As such, our products do not require an SDS.
